§ 21.500 What is the purpose of this subpart?

This subpart prescribes policies and procedures for compiling and reporting data related to DoD awards and programs that are subject to information reporting requirements of 31 U.S.C. chapter 61. That chapter of the U.S. Code requires the Office of Management and Budget to maintain a Governmentwide information system to collect data on Federal agencies' domestic assistance awards and programs.

§ 21.505 What is the Catalog of Federal Domestic Assistance (CFDA)?

The Catalog of Federal Domestic Assistance (CFDA) is a Governmentwide compilation of information about domestic assistance programs. It covers all domestic assistance programs and activities, regardless of the number of awards made under the program, the

total dollar value of assistance provided, or the duration. In addition to programs using grants and agreements, covered programs include those providing assistance in other forms, such as payments in lieu of taxes or indirect assistance resulting from Federal operations.

The GSA makes this information available to the public by publishing it in the Catalog of Federal Domestic Assistance (CFDA) and maintaining the Federal Assistance Programs Retrieval System, a computerized data base of the information.

§ 21.515 Who reports the information for the CFDA?

(a) Each DoD Component that provides domestic financial assistance must:

(1) Report to the Director of Information, Operations and Reports, Washington Headquarters Services (DIOR, WHS) all new programs and changes as they occur or as the DoD Component submits its annual updates to existing CFDA information.

(2) Identify to the DIOR, WHS a point-of-contact who will be responsible for reporting the program information and for responding to inquiries related to it.

(b) The DIOR, WHS is the Department of Defense's single office for collecting, compiling and reporting such program information to the OMB and GSA.
